Summary

Microfic. I am surprised to see Chibiusa back from the future. I am then shocked by the color of her hair.

(POV: Usagi)

It was just another day for me, until I got home and had a little girl waiting in the living room for me.

"Chibiusa!" I say as I see her, then yell.

"What's wrong with you? Screaming like that."

"Chibiusa... your hair..."

They are silver, not pink.

"Yeah, I dyed them, so what?"

I am shocked by this. I get carried away.

"This is horrible! You're beautiful the way you are, you don't have to look like me!"

After all, Neo Queen Serenity has silver hair.

"Humph! I thought you'd be happy to see me again, but since you're not, I'm going back to the 30th century!"

Chibiusa left my parents' house. As for me, I sulk and then I feel guilty for having lost my temper on Chibiusa. I try to find her in town to apologize, but there is no trace of the little girl. Chibiusa returned to the 30th century.
